Harness the power of eMobility.

**Mack Ultra Service Contract
for MD Electric**

When it comes to adding eMobility to your fleet, Mack has you covered.

To ensure your vision for eMobility is completely covered for the future, every Mack MD Electric purchase or lease is bundled with our comprehensive 5-year* Mack Ultra Service Contract.

*Optional 6-year contract available

MACK®

Peace of mind. Backed by Mack.

When you purchase the Mack MD Electric, you're connected to a coast-to-coast network of service, support and the most comprehensive service contract we offer.

Comprehensive Protection

Get complete coverage for batteries, electric control system, powertrain, chassis, suspension, cab, steering system, towing and more.

Worry-Free Maintenance

Rest easy knowing that scheduled and preventive maintenance is covered through the term of the contract and is performed by Mack Certified Electric Vehicle Dealers.
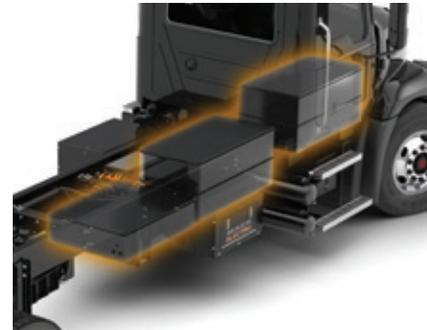

Unmatched Connectivity

Keep your teams connected with Mack's advanced uptime, telematics and connectivity service, included with every Mack MD Electric.

Constant Support

With Mack OneCall® and ASIST, your teams receive unmatched 24/7 roadside support and assistance to ensure your trucks and your business are always running strong.

Battery Performance Guarantee

Monitored by Mack, we guarantee every battery maintains at least 80% of the original charge-holding capacity for the duration of the Ultra Service Contract.
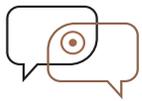

ElectriFi Financing

Mack ElectriFi offers multiple financing or leasing options, making it easier than ever to go electric. Choose from our ElectriFi Lease, ElectriFi Infrastructure and ElectriFi Per Mile programs.

Get support to go electric.

Our step-by-step integration process makes it easy to plug a Mack EV into your business.
